

# Secure Bicycle Parking Resources

Kern Commuter Connection: A Program of Kern Council of Governments

## Bicycle Parking Solutions:

### **What is secure bicycle parking?**

- \*Designated indoor bike room with locking system
- \*Bicycle lockers
- \*Bike cage in garage
- \*Designated bike space inside an office
- \*Outside bike racks can be sculptural or simply functional. Cyclists must remember to bring their own locking mechanism.

### **How to make secure bicycle parking work:**

- \*Locate the bike parking in a well-lighted, well-traveled area.
- \*Visit [www.bikeparking.com](http://www.bikeparking.com) for bike parking options, pricing, tips and guidelines.
- \*Inform employees and tenants of this important amenity.
- \*Advertise bike parking with prominent signage.

### **Discover the benefits of secure bicycle parking:**

- \*Good for employee health and morale
- \*Lowers parking costs substantially
- \*Reduces your company's impact on the environment
